1 About this document

This document includes the latest information about the PrimeKey Solutions AB registered trademarks. The document is updated on a continuous basis as the marks' registrations are updated.

2 Registered Marks

In order to protect our products and product names, PrimeKey has registered our most important trademarks, **PrimeKey®**, **EJBCA®** and our PrimeKey logo, the PrimeKey "P" in a number of countries. In the listing in this document, PrimeKey's registered marks and pending applications are presented.

3 Patent Rights

PrimeKey owns patent rights, including granted patents and patent applications, in a number of countries. In the listing in this document, more details about these rights are presented.

4 About PrimeKey Solutions AB

PrimeKey and Keyfactor merged in June 2021. During 2022 the two companies will merge under the brand Keyfactor. Read more on PrimeKey.com or Keyfactor.com.
